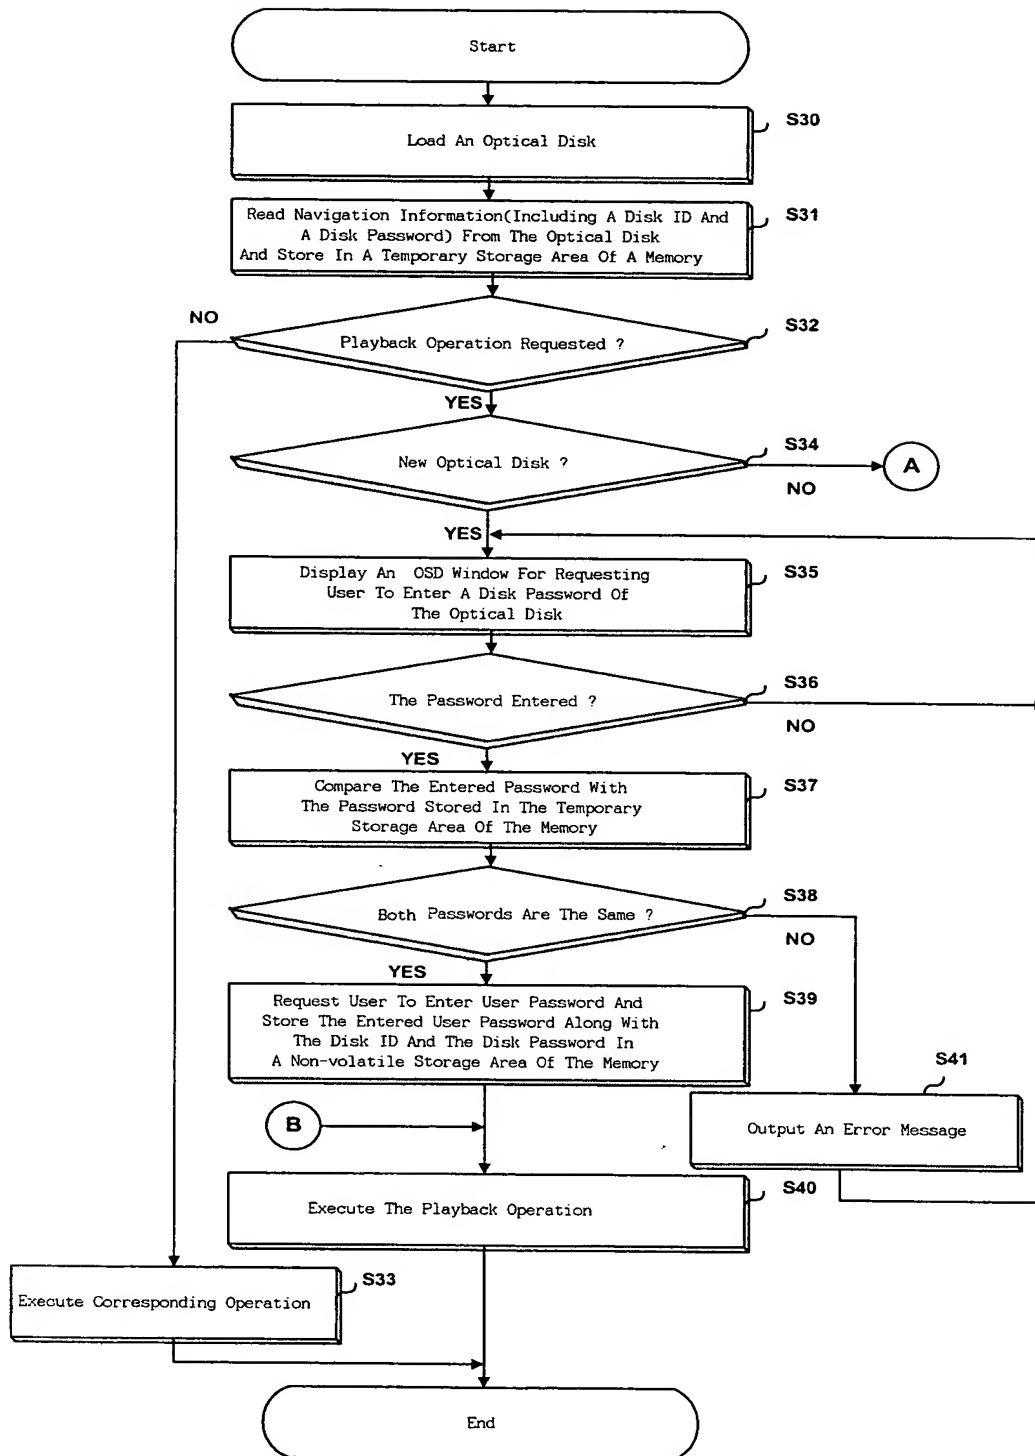

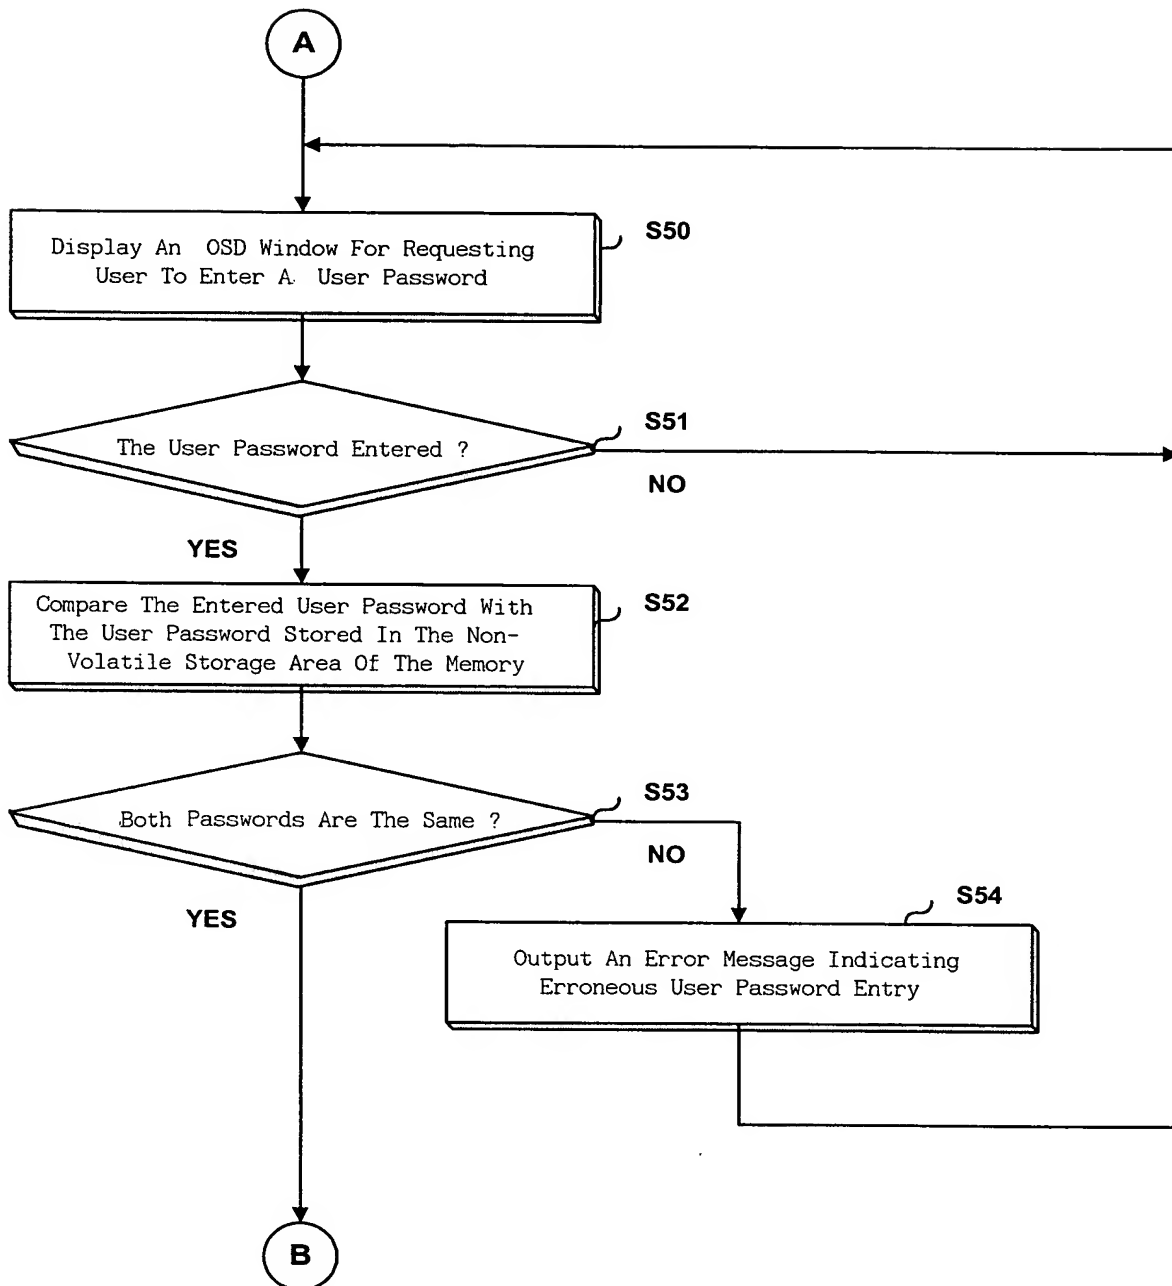

Fig. 4b

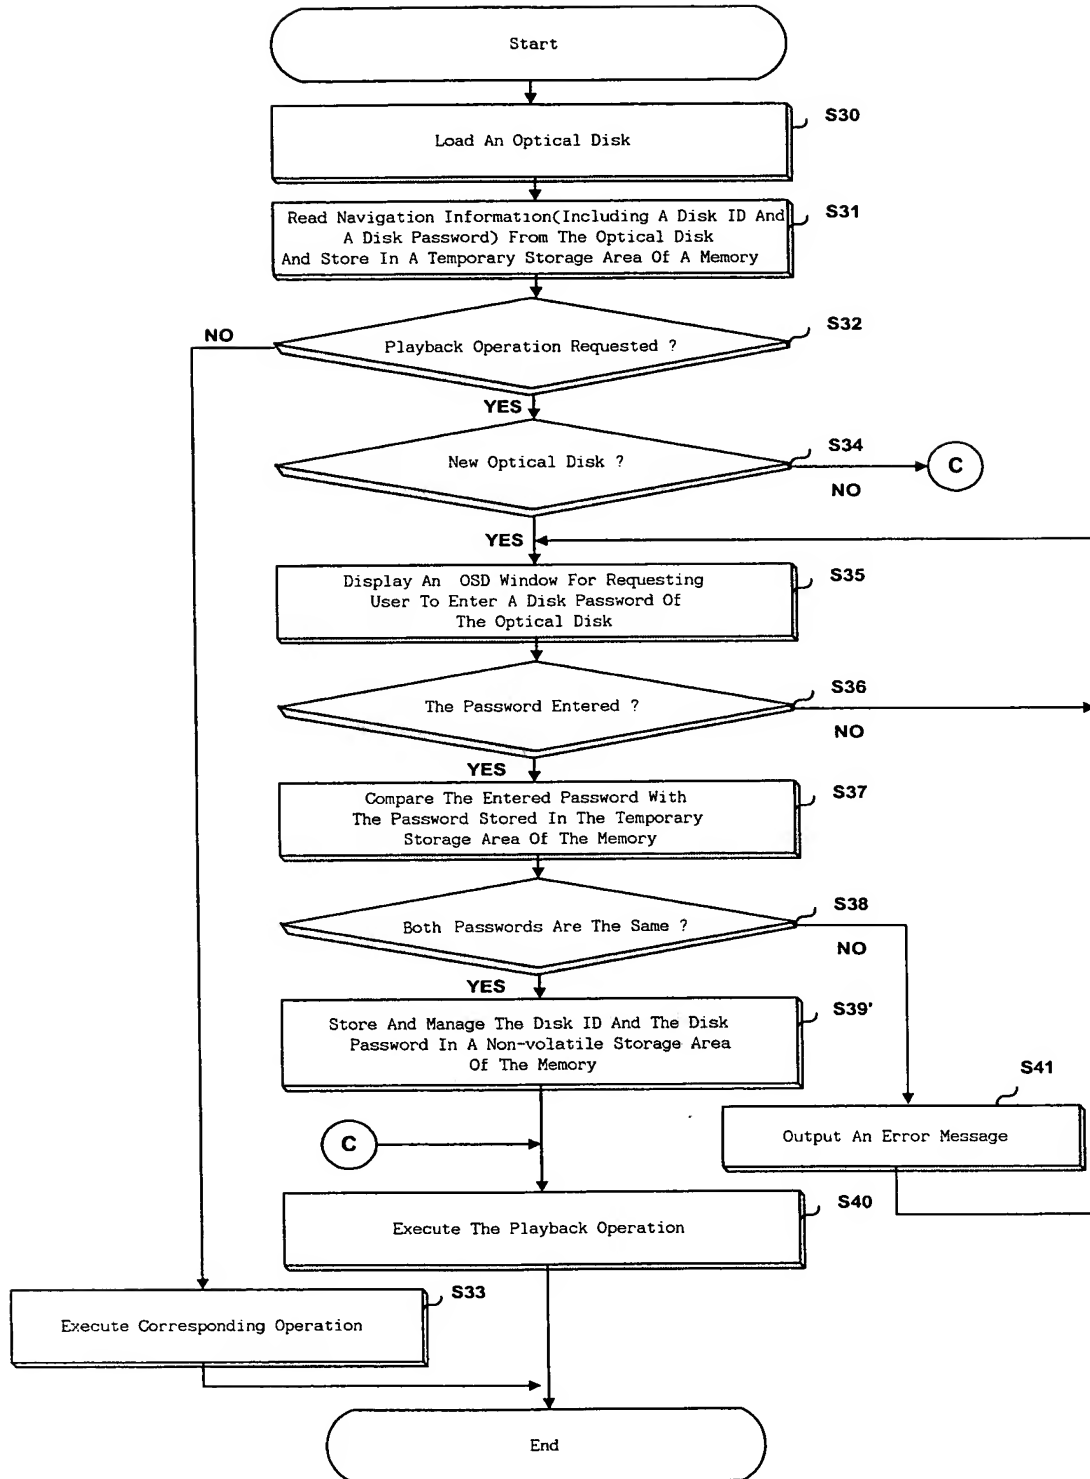

**Fig. 5a**

Diagram of a password entry screen. The screen is enclosed in a rectangular frame with vertical bars on the left and right sides. Inside the frame, there is a central rectangular area. At the top of this central area, the text "Password Entry Mode" is displayed. Below this text, there is a smaller rectangular box containing the numeric password "123-45-67890". At the bottom of the central area, the text "Enter Unique Password Of Disk" is displayed.

**Fig. 5b**

Diagram of a password entry screen. The screen is enclosed in a rectangular frame with vertical bars on the left and right sides. Inside the frame, there is a central rectangular area. At the top of this central area, the text "Password Entry Mode" is displayed. Below this text, there is a smaller rectangular box containing the numeric password "2002". At the bottom of the central area, the text "Enter User Password" is displayed.
